RIPLEY NIGHT WATCHMAN CUT.  
Night Watchman Musenon of Ripley, known  
as "Big Moose," was seriously cut Sunday evening  
in a street altercation by Frank Richards,  
who was said to be intoxicated. Richards  
slashed Musenon's hat into ribbons, as well as  
his coat, finally cutting him across the left  
cheek a gash which required 26 stitches to  
close. Musenon saved his life by drawing his  
gun, when Richards ran, the officer firing twice  
at him.

EXTENSION OF RURAL DELIVERY  
In the Postoffice Department the movement  
for the extension of the rural free delivery is  
taking definite form. During the past month  
more than sixty thousand petitions for rural  
service, where none now exists, were presented  
to the Department. Adverse reports of investigators  
were made on more than 17,000 of  
them. The routes asked for in the others will  
be allowed. There are now in operation more  
than 41,000 routes.

PREMIUM PAIR OF MULES.  
Bryan & Kirk, the Mason county stock  
dealers, exhibited in front of The Ledger office  
yesterday afternoon, probably the finest pair  
of four-year-old mules ever raised in Mason  
county. The animals were 16 hands high,  
weigh 2,500 pounds and nearly perfect matchers,  
and were reared by Mr. Joseph Latham of  
Mayslick and recently purchased by the present  
owners, who now value the pair at \$750. We  
understand \$700 has been refused for them.  
When we can raise such superb draught  
animals as these there is no use speaking of  
Missouri being the native habitat of the  
premium male.

Mr. William Yearley of Ripley was a Maysville  
visitor yesterday.

The damage suit of Mrs. Mattie Lang vs. the C. and O. Railway Company, for \$10,000, or causing the death of her husband, A. A. Lang, at Dover in 1905, is in progress in the Circuit Court. Lang was employed by the company and had lighted the signal lights at South Ripley and East of Dover and was passing home on his railroad wheel when passenger train bore down on him when he passed the Lee's Creek bridge. It is said that Lang got off the track, but in attempting to save the wheel he was struck by the engine and instantly killed. The plaintiff was awarded \$300 damages in a former trial.

There were over a score of witnesses from Dover and South Ripley and the Conductor and a crew of No. 7 also testified.

## KANSAS MAN GIVES STRONG TESTIMONY

William O. McFarland, a well-known resident of Wichita, Kansas, living at 607 North Water street, that city, is a strong believer in the efficacy of Cooper's New Discovery. In a recent statement Mr. McFarland says:

"As an after-effect of typhoid fever and the grip, I have suffered with stomach trouble for the past three years. I had no appetite, and did not get the proper nourishment from my food. As a result I was very weak, and felt tired and worn out, having no energy nor ambition. I experienced a feeling of heaviness in my stomach and belched a great deal of gas. I tried a number of remedies that were recommended to me and took treatment from several physicians, without any permanent benefit. "I finally decided to try Cooper's New Discovery, after noticing a number of advertisements in the newspapers regarding it. I found it all that it was claimed to be. Within a few weeks the belching had ceased entirely, and the feeling of heaviness and distress disappeared. I began to relish my meals and soon gained in strength and weight. I was greatly surprised with the prompt action of the medicine, and gratified with the results I obtained from its use." Persons afflicted with worn-out stomachs should try Cooper's New Discovery. There is a heavy demand for the Cooper remedies, for which we are agents in this community—Thos. J. Chenoweth.

MR. DEWEY HARVESTING HIS  
ORANGES

West Palm Beach, Florida, Tropic Sun.

Mr. F. S. Dewey of Boynton finished shipping  
oranges Tuesday with a shipment of 256 boxes.  
This makes a total including mail orders and  
individual shipments of 800 boxes of tangerines,  
grapefruit and oranges. The bloom has been  
very heavy and from present appearances there  
will be over 1 000 boxes next year.

NO MORE WOMEN RAILROADERS

The Baltimore and Ohio Railroad has decided  
to hire no more women for railroad work in  
any capacity. The women who are already on  
the payrolls will be retained as long as they  
desire to hold their positions or so long as  
they can do the work for which they were  
hired, but once they leave the company's em-  
ploy their places will be taken by men.

This new condition has been made public  
through the rejection of several women who  
applied at Pittsburgh for positions.

It has been roughly estimated that 30 per-  
cent. more work can be gotten from the  
average young man stenographer than from a  
girl in the same position, and that the work is  
more carefully handled. The same thing  
applies to other departments.

gave a tea in honor of Mrs. Lockwood, Regent  
of the Mary Washington Chapter, D. A. R.,

John P. Foley of the county and Miss Cullen of West Third street were married in St. Patrick's Church this morning at 5 o'clock, Rev. Father P. M. Jones officiating. The happy couple left on the 6 o'clock C. and O. train for Cincinnati and other points on a short honeymoon trip, and on their return will be at home on the farm. THE LEDGER joins their many friends in extending congratulations and best wishes.

## DISCRIMINATING LADIES.

Enjoy Using Herpicide on Account of Its Distinctiveness.

The ladies who have used Newbro's Herpicide speak of it in the highest terms, for its quick effect in cleansing the scalp of dandruff and also for its excellence as a general hair-dressing. It makes the scalp feel fresh and it allays that itching which dandruff will cause. Newbro's Herpicide effectively cures dandruff, as it destroys the germ that causes it. The same germ causes hair to fall out, and later baldness; in killing it, Herpicide stops falling hair and prevents baldness. It is also an ideal hair dressing, for it lends an aristocratic charm to the hair that is quite distinctive. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.
